

Do you  
**love kids and teens,**  
love **creativity,**  
and love to find ways  
to **inspire faith?**

Our kids and teens are looking forward to meeting you!

We are seeking a creative and enthusiastic Associate Pastor to join our vibrant children's and youth ministry.

Cityside Baptist is a unique and inclusive Christian community that values the creativity, depth and richness that difference brings. We regard our children as an integral part of our church life and seek intergenerational interaction where we can.

We encourage faith in our children through a wide range of activities including art and craft, contemplation and other spiritual practices, plays, social and outdoor events. We are well resourced with large, regular attendance and have potential for growth.

In this paid role (0.4-0.5 FTE) you'll be helping us with planning, coordinating and delivering the programme for children from year 1 to year 13.

If you want to lead and explore with us a broad and highly creative expression of Youth and Children's Ministry for the 21st century, then get in touch—we'd love to talk!
